

THE ALLOWANCE GAME® TWEAKS AND MODIFICATIONS

- When your kids make a deposit to the bank, have them collect interest every time they pass the space versus only when they land on the space.
- If someone lands on the Lemonade Stand space and it has an owner, have the buyer roll the dice to determine how many cups to purchase from the owner.

The AllowanceGame® is a registered trademark of Lakeshore Learning Materials and has no affiliation with MoneyBags, LLC beyond this endorsement. You may find more information about the game at www.lakeshorelearning.com.
